USGA/LPGA Girls Golf

This is a new program that will be headed up by Sandy Kubica.

The program will be on-course only.

The group will meet at the golf course at the specified time.

They will use the first par three on Saturday afternoons on the course to be used that day for certification play and follow the last group out for the day.

There will only be 15 girls accepted into this new program for the Spring. Volunteerism will be a requirement of the program.
